   - Introduction to multimedia
   - Playing audio

Our Hands-on and Practical Workshops will supplement your Classroom trainings and transform students into better engineers

Feedback Of Participant

"Fun and enriching experience. Highly Interactive and Informative lectures. Hardworking and friendly team. Best part is that these people would never get fed up of students asking for the same thing again and again but would rather clear the doubts with patience which is a true proof of their dedication and love for their work. Thank u all for coming. Had an Amazing time. Cheers! :)" - **Shalini, Delhi Technology University, Delhi**

"It is really a matter of honour to organize an event as such at BITS Pilani, Goa. This develops innovative thinking and is the platform for creative approach" - **Gunakar Venkat Yadav , IIT-BHU, Banaras.**

"Best Workshop I had attended ever :) Even belonging to non-mechanical branch, I didn't feel that I was out of topic. Very good!!" - **Pooja Bhojwani, IIT-Bombay .**

"Its awesome to see things fly at economic prices. Workshop is so interesting." - **Karthik Reddy B, NIT-Patna.**

Workshop Handouts

- **Go 4 Tech** Software tool kit CD Pack.
- **Go 4 Tech** Course ware
- "Certified of Participation" to each participant.
